## NCDPI Integrated Academic and Behavior Systems

<http://www.ncdpi.org/>

### DEFINITION

NC MTSS is a multi-tiered framework which promotes school improvement through engaging, research-based academic and behavioral practices. NC MTSS employs a systems approach using data-driven problem solving to maximize growth for all.

### VISION

Every NC Pre K-12 public education system implements and sustains all components of a Multi-Tiered System of Support to ensure college and career readiness for all students.

### MISSION

NCDPI will prepare for total school improvement and support LEAs to implement a Multi-Tiered System of Support by providing professional development, coaching and technical assistance, research and evaluation, and communication and visibility that results in college and career readiness for all students.

NCDPI believes that MTSS is the most effective and efficient approach to improving school outcomes and student performance thereby ensuring equitable access to a sound basic education.
